SAVE OUR SOLVANG

To: The Mayor and City Council of Solvang

From: Residents of Solvang

Solvang City Council is considering annexing 17 land parcels totaling 450 acres to the City. We oppose this because:

- Traffic is already congested through Solvang on Mission Drive.
- Residential neighborhoods are used as bypasses when Mission Drive is gridlocked.
- Our Solvang water supply is already stressed
- Solvang's small town feel in a rural setting, will be sacrificed for urbanization; prime agricultural land will be lost.
- Solvang voters will have **NO VOTE** about annexation.
