SAVE OUR SOLVANG

To: The Mayor and City Council of Solvang, California From: Valley Residents Outside the City of Solvang

Solvang City Council is considering annexing 17 land parcels totaling 450 acres to the City. We oppose this because:

- ❖ All Valley residents must use Highway 246 or utilize neighborhood Solvang streets as bypasses
- ❖ Traffic already makes it difficult for us to use Solvang's businesses
- ❖ Annexation will destroy the greenbelts that give Solvang's entrances a rural feeling
- ❖ Prime agricultural land will be lost
- ❖ Neither City nor Valley residents will have a vote about annexation
